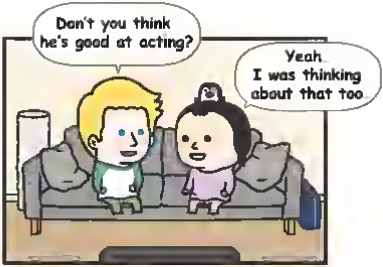
Penguin Loves Mev In the UK

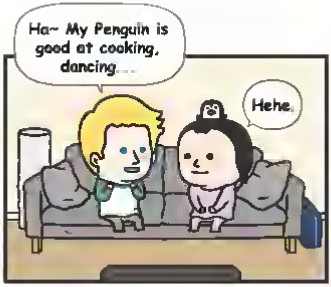
Tear Attack: Part 2

One day.



While I was watching TV with Mev, we talked about acting.

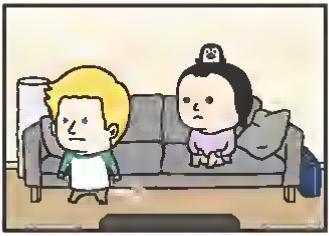
I imitated one scene.



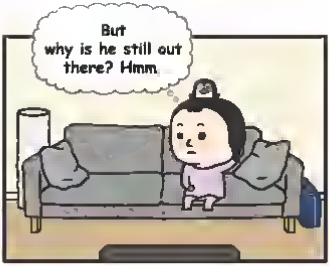
Then Mev told me

It made me feel embarrassed, so to get it over it...

.... I started to collect my sad emotions for crying acting.



Then Mev quickly left the room.



Mev didn't come back to me.

Come back~
I'm not crying
Are you here?
